TEACHER'S CORNER

Happy Friday Third Grade,

I hope that you had a wonderful and successful Halloween. Now what to do with all of that candy? Well, please consider donating what you don't want or need to the Operation Gratitude project. PSPA is collecting candy for soldiers, so donate away!

Since we are in the learning cottages, please send in an umbrella for your child to keep in their cubby. This will stay at school for your child to use on those rainy days! Thanks so much!

Fall Conferences- If you would like to have a conference, please contact me and we will set up a time.

Report Cards-Our first quarter ended on October 25 and report cards will come home on November 4th. Please sign and return the envelope only by Wednesday, November 6th. Thank you!

Veteran's Day- there will be no school November 11 in honor of Veteran's Day.

Sibling Lottery- The PSPA sibling lottery is from November 12-26th.

Social Studies

We will be learning about the history of Ancient Rome in Domain 4.

Science and Social Studies

Our science unit is integrated with Language Arts, Students will complete extension activities based on what we have learned in Domain lessons.

Homework

Homework-please be sure that you are going over homework with your child every night. It is very important that they complete their homework in order to practice the skills that they have learned in class. Email or Dojo me if you are having issues with homework, I am here to help!

Reading Homework-Students are to complete a weekly reading log where they will be expected to read for a minimum of 20 minutes every evening. This log will be submitted Friday (or the last day of the school week) and returned on the following Monday.

Spelling Homework- There is weekly homework for students to practice their spelling words. They will receive their spelling words on Friday and the spelling tests will be on the following Friday.

Math Homework-Math homework is given weekly, but unlike spelling homework, we will check it every day. Students can complete it at their own pace, but they should have Monday's homework completed for Tuesday, Tuesday's homework completed for Wednesday, etc.

*Students have the option of working on homework every day during dismissal.
