## TEACHER'S CORNER

Happy Friday Third Grade,

Dress down week was a huge success! Thank you so much for all of your dollar donations for All For Books this week! We are so excited for the book fair next week next week. Please be sure to check your child's OWL folder for important information and dates regarding the Book Fair next week!

Sibling Lottery- The PSPA sibling lottery is from November 12-26<sup>th</sup>.

Scholastic Book Fair- Our book fair will be from November 18-22. Students will preview the book fair on Tuesday and purchase on Wednesday and Thursday. Students must have money to go to the book fair!

Author Skype-we will be skypeing with Jill Esbaum on Monday. Huge thank you to Mrs. Stein for coordinating this awesome opportunity!

Family Night-Bring your family for a fun night at the book fair. There will be food trucks, raffles, and a fun night of family shopping!

Book Exchange-We will be having a book exchange for the holidays! Please send in a note with your child with a list of three books they would like for the exchange. Please limit your amount spent to \$10 or less!

Array Project-Please see the array project at the bottom of our weekly homework sheet. This is due on November 25.

OWL Folder- Please be sure that your child is bringing their OWL folder home and returning it daily!

Homework- Please be sure that your child is turning in their homework every Friday, including their reading log. This will be counted as a grade this quarter.

Testing Folder-Please return your child's signed testing folder Monday! Our testing folder procedure has changed this quarter. Please be sure to review, sign, and return every test. Thanks so much!

Lunch Coverage- Massive thank you to Mrs. Frankie for creating a new sign up for [lunch coverage!](#)

### Math

We have begun our unit in multiplication! In this unit, students will learn difference strategies to solve multiplication equations. These strategies include repeated addition, skip counting, number lines, sets, and arrays. Your child should practice multiplication nightly to learn facts!

### Language Arts

We are wrapping up Domain 3 on the human body. Our skill test will be the week of November 18 and will take place over multiple days. Please review the homework sheets with your child as well as the study guide.

### Social Studies

We will be learning about the history of Ancient Rome in Domain 4.

### Science and Social Studies

Our science unit is integrated with Language Arts, Students will complete extension activities based on what we have learned in Domain lessons. Our domain test is on Friday! Please review the study guide on this week's homework sheet!

### Homework

Homework-please be sure that you are going over homework with your child every night. It is very important that they complete their homework in order to practice the skills that they have learned in class. Email or Dojo me if you are having issues with homework, I am here to help! I will be collecting homework on Fridays as a grade. If your child forgets their homework, they may turn it in on Monday!

Reading Homework-Students are to complete a weekly reading log where they will be expected to read for a minimum of 20 minutes every evening. This log will be submitted Friday (or the last day of the school week) and returned on the following Monday.

Spelling Homework- There is weekly homework for students to practice their spelling words. They will receive their spelling words on Friday and the spelling tests will be on the following Friday.

Math Homework-Math homework is given weekly, but unlike spelling homework, we will check it every day. Students can complete it at their own pace, but they should have Monday's homework completed for Tuesday, Tuesday's homework completed for Wednesday, etc.

\*Students have the option of working on homework every day during dismissal.
