TEACHER'S CORNER

Welcome Back Third Grade,

I hope that you all had a wonderful and relaxing Thanksgiving break. It's hard to believe that December is already here! This year is flying by! Please review the newsletter to learn of fun and exciting December classroom events.

Spirit Wear Day- Friday is spirit wear day! Show your PSPA spirit and wear any school appropriate bottoms on Friday!

Book Exchange-We will be having a book exchange for the holidays! Your child has chosen a classmate and they have their book list. The book is due back by December 16! If you cannot find the list, email or Dojo me and I will send it to you! Please let me know if you have any questions!

Winter Celebration: Our winter celebration will be on Thursday, December 19. Please be on the lookout for a sign up genius coming to you soon!

December 20-Wear your college shirts with school appropriate bottoms today! Also, this is now a full day of school for students.

OWL Folder- Please be sure that your child is bringing their OWL folder home and returning it daily!

Homework- Please be sure that your child is turning in their homework every Friday, including their reading log. This will be counted as a grade this quarter.

Lunch Coverage- Massive thank you to Mrs. Frankie for creating a new sign up for [lunch coverage!](#)

Math

We are learning multiplication facts through 9s. Our unit test will most likely be on Wednesday and we will begin our new unit on multiplying double digit numbers. Your child should practice multiplication nightly to learn their facts!

Language Arts

We are beginning Domain 4 on The Ancient Roman Civilization. Students will read stories about Rome, they will learn about parts of speech and how to change verb tense, and students will engage in discussions about what they have learned about Rome.

Social Studies

Our focus for this Domain is History. In this unit, students will learn about Roman culture, history, and architecture. This unit is integrated with history.

Homework

Homework-please be sure that you are going over homework with your child every night. It is very important that they complete their homework in order to practice the skills that they have learned in class. Email or Dojo me if you are having issues with homework, I am here to help! I will be collecting homework on Fridays as a grade. If your child forgets their homework, they may turn it in on Monday!

Reading Homework-Students are to complete a weekly reading log where they will be expected to read for a minimum of 20 minutes every evening. This log will be submitted Friday (or the last day of the school week) and returned on the following Monday.

Spelling Homework- There is weekly homework for students to practice their spelling words. They will receive their spelling words on Friday and the spelling tests will be on the following Friday.

Math Homework-Math homework is given weekly, but unlike spelling homework, we will check it every day. Students can complete it at their own pace, but they should have Monday's homework completed for Tuesday, Tuesday's homework completed for Wednesday, etc.

*Students have the option of working on homework every day during dismissal.
