

Welcome to 3rd Grade

Mrs. Fink

Teachers Corner

Hello Third Grade!
We have had a busy and productive week! Your children are doing a wonderful job learning rules and procedures in the classroom and school. I have enjoyed getting to know each and every one of my students. They are such a sweet group of kiddos. Please be sure to check your child's OWL folder nightly for important information!

Sincerely,
Mrs. Fink

Homework

Students will have a weekly reading log which is due on Friday

Math homework must be completed nightly as we will go over it the following day.

The September family project is due on September 12th.

Wish List

- Child Friendly Wipes (for wiping down tables before and after lunch)
 - Wet ones or Purell work best 😊

Communication

Email: mfink@pinespringsprep.org
Class Dojo

*Please allow 24 hours for response. 😊

What We Are Learning

Reading

We will begin our unit on Fables and Folk tales. Students are learning about point of view and themes.

Math

Our first third grade unit in math is on multi-digit addition and subtraction. Students are learning about expanded form, standard form, and word form of numbers. To be successful, students will be learning place value and number sense as well. We will have a quiz this week.

Science and Social Studies

Students will be investigating bodies of water and rivers which is integrated in our CKLA curriculum. In addition, students will be learning about geographic features and maps.

Scholastic

I participate in Scholastic book club. Our classroom code is MJ7PZ. Your child will periodically bring home flyers. Orders must be placed online. When you order, I earn points that I use to build our classroom library. Be sure to email me if you place an order so I can put it through! 😊

Save the Date

September 5

- Beginning of Grade Test (BOG)

September 6

- Spirit wear Day
