Teachers Corner

Hello Third Grade!
It's so great to be back in class this week. I missed everyone last week and I am delighted to hear how well they did with our sub. We are officially in the Modular Units! We will be making ourselves at home this week and making this space our own! This will be a great week! Thank you for your understanding and patience with this process!

Sincerely,
Mrs. Fink

HOMEWORK

- Please be sure to check your child's OWL folder nightly!
- Spelling homework starts this week, see homework sheet for more information!
- We will have nightly math review this week!
- Testing is complete! Scores will be sent home with report cards!

What We Are Learning

Reading

We are wrapping up our first Domain. Students will complete a Domain 1 Assessment as well as an opinion piece. These grades will be posted in power school. We will begin our Second Domain this Wednesday. It will be centered around the classification of animals.

Math

Students are learning about mental math, estimation, and rounding. In this unit, they will learn to round to the nearest 100 and 10. They will also learn how to use a number line to round.

Science and Social Studies

We are wrapping up our unit on rivers with a project as well as a quiz on geography. Our next unit will be on classification of animals, including local animals.

Scholastic Code: MJ7PZ

Reminders! 😊

- As part of our classroom rewards, students may purchase stuffie passes. Please keep all stuffies at home unless they have a pass or it is stuffy day!
- If your child is bringing a device for after school care, please send it in powered off and it is to remain in their book bag all day!
- Be sure to check powerschool regularly for updated grades!
